## VISITATION POLICY

Patients may elect to have one family member present during outpatient procedures at Reproductive Medicine Associates of Florida (RMA-FL). RMA-FL celebrates the diversity of families. We recognize that a family member need not be legally, genetically or biologically related to an individual. For the purposes of our visitation policy, a family member may be anyone who plays a significant role in an individual's life. Family members may include, but are not limited to: spouses, domestic partners, significant others, parents or siblings, regardless of the sex, gender identity, gender expression, or sexual orientation of the relation.

**In order to maintain a supportive environment, RMA-FL's PACU welcomes all patients and the members of their unique families.**

If you experience any discrimination that you feel is related to your identity-status please notify  
Carolyn Collins, Chief Nursing Officer and Vice President of Clinical Services,
